QCWA ACTIVE CHAPTERS COMPILED FROM 2010 CHAPTER REPORTS April 8, 2011 Rev. D

Thank you for becoming a QCWA member. We invite you to take part in all QCWA activities. This pamphlet has been prepared to introduce you to QCWA Chapters by providing the name and address of the Secretary of each active Chapter so that you can identify the one nearest your home location. Review the list and contact the Chapter of your choice. You will be invited to attend their meetings and join that Chapter. At present there are 119 active Chapters (one might be located fairly close to your home).

Most QCWA Chapters have on-the-air meetings; frequencies and times of each net are listed in the QCWA Journal, a copy of which is sent to all new members. Try to check into one or more of the nets. The Sunday afternoon net on 14347 kHz at 2000 Z will welcome you as a check-in. A CW net is on each Wednesday at 2400Z on 7035 kHz. In addition, each year the QCWA holds two QSO parties which are announced in the Winter issue of the QCWA Journal.

The QCWA governing Board meets yearly. Announcement of the meeting location and time is published in the QCWA Journal.

QCWA operates a Memorial Scholarship Fund, dedicated to the memory of our Silent Key members. The Fund is a perpetual entity and in the past year, eight scholarships were awarded. Gifts to the Fund are tax exempt and are added to the escrow account. Only interest earned is used to pay for the scholarships awarded. At the end of 2010, the fund had reached a level of over \$650,000. Gifts are welcome in memory of Silent Key members.

QCWA maintains a good stock of callbooks, many donated by QCWA members, from the beginning of their printing. We can supply a copy of the page listing your first call; we use these same books to establish the first year of your licensing when other supporting documentation is missing. QCWA publishes the year of first licensing for each member and it will appear on your mailing label, top line, last two digits.

In recent years QCWA has undertaken to accept its responsibility and support groups, activities and proceedings which, in QCWA's opinion, work to support the Amateur Radio Service. QCWA has, and will, continue to file actions and comments on proceedings before the Federal Communications Commission which impinge on the Amateur Radio Service.

QCWA can, and does, provide enjoyment, honest fellowship and meaning to your Amateur Radio Activities. To enjoy everything that QCWA can give, you must, as with all organizations, take an active part. Cooperate in setting up activities for those around you. Join a Chapter and become active in its administration.

Write stories of your experiences.....in the early days as well as recent times. Events in 2011 to a new QCWA member are as interesting and meaningful as events happening in 1920 to an "old timer". We print such stories in the QCWA Journal. When you participate in QCWA we all gain. Thanks for joining the QCWA.
