

PAGE #2.

W2CYK, Arthur L. Greenberg, has been elected to the Presidency of the New York Radio Club and congratulations are hereby extended to him.

Up to the present time, The Editor knows of the following members who have received their Extra Class License. There are probably more not at this time known, Let's hear from you fellows:

W2AMB, W2FX, W2GN, W2PF, W2ZM and W3GH.

It has been suggested that a "SWOP and SHOP" column be included in these quarterly bulletins. Let's have your ideas, if any, on this subject please.

A large number of the membership have expressed a desire for a book, which would include a photograph and a SHORT story about each member. These books will cost approximately \$4.00 each, and the full co-operation of the entire membership is necessary before the book can be published. Each member will be expected to supply his own photograph and the short resume to be included in the book.

Our membership continues to grow and we now have 458 members. At present a new chapter has been formed in Louisville, Ky., having ten members and there is also one in Cleveland, Ohio., with more than 25 members.

We hope, in the near future, to have more information on Chapters and their doings.
