

There has been little or no response to our mention of a Picture Year Book in 1957, our tenth anniversary and absolutely no comeback on the suggestion put out by W9CYD of Chicago for a convention and real celebration in Chicago on the same Tenth Anniversary. What's the matter? No stamps, too hot, or just plain indifference? Come on Fellows, this is your organization--do you want these things or not, at least let's hear some opinions.

CHAPTER NEWS: We have several new chapters now formed since last BULLETIN, namely Washington, DC, Findlay, Ohio, Pittsburgh, Pa. and we are told that the New England chapter will officially be formed this fall. Also that a West Coast chapter is in the formative stage and a joint KP4-KV4-KZ5 chapter is being talked about. Let's get on the ball and make them real. We now have Chicago, Washington, Findlay, Cleveland, Pittsburg and Louisville. Although the Louisville and Cleveland chapters appear dormant at the present writing, let's hope they pick up steam after the hot weather is over and at least answer correspondence from the Parent organization.

MORE NEWS AND QUESTIONS: Many of our members are on SSB and we have asked several times for some news about them--nothing as yet--How about it? We are also told that our good friend and member W3OB is the secretary of the Maritime Mobile Association. We also have several of these gentlemen on our roles as members and more are coming in every week. The writer is working towards his own MM Cff (now has 24 and more are on the way) so Mac here we come for that beautiful certificate. Let's have news of the MM boys if they get time.

Our next Dinner meeting will be held on October 28th, 1955 (last Friday in October) at the Hotel Shelbourne, 37th St. & Lexington Ave., N.Y.C. Reservation cards will be mailed in due time. Make note re. date now.

As mentioned before, we now have new application blanks and are only too willing to send same to anyone writing for them--why not try and get our membership up to over 1500 or more? It's a lot of work for your officers but they enjoy it and the more the merrier. There are certainly more old timers who might like to come aboard than the number we now have.

Again a reminder--PLEASE ADVISE PROMPTLY OF ANY NEW CALLS ADDRESSES OR NEWS, at least addresses before our new Roster goes to press. The DEADLINE IS AUGUST 31st, 1955--so until we meet again either in person or over the air, have fun, and try and keep cool--73 and 30
