

## MEMORIAL SCHOLARSHIP AWARDS IN MEMORY OF OUR SILENT KEYS

The QCWA Memorial Scholarship Fund was established at the 1977 QCWA Convention at Seattle, Washington, following a meeting between then President Frank A. Gunther, W2ALS and President Elect Harry S. Gartsman, W6ATC. The Fund is dedicated to the memory of those QCWA members who have contributed to the welfare of QCWA and who are now our Honored Silent Key Members. The Fund awards scholarships each year in memory of our old friends. The following is a listing of the Memorial Scholarships awarded each year since 1978. The Scholarship Fund is administered for us by the Foundation for Amateur Radio, P.O. Box 831, Riverdale, MD 20738

This is the 31st year that these scholarships have been awarded for the Quarter Century Wireless Association by the Foundation of Amateur Radio. QCWA's more that 7000 members were first licensed at least 25 years ago. They have contributed for 305 scholarships with a total value of over \$255,000, a real tribute to the members who are giving back something to the hobby which they have enjoyed.
